Issue 4 December 2021

## PRESIDENTS REPORT

Season's greeting,

Although our racing season only extends from March to November, there is barely any downtime at all for those in the background helping the club operate across the year. We've just had the AGM, and completed our last event for 2021, however the newly elected Executive Committee and Competition Committee will be running at full pace (except for a brief 1 week break across Christmas / New Years) to complete preparations for the upcoming tuning days, our first Endurance race for many years in early 2022, and to complete the Championship Regulations etc in time for the new season.

We also welcome Bryan Staring as our Club Patron for 2022. A three time Australian Champion, ex World SBK and MotoGP rider, and current Desmosport Ducati rider in ASBK, Bryan has a huge amount of knowledge and experience in motorcycle road racing and we are excited to have him as our Patron.

It was fantastic to see a number of new coaches become accredited in late October, and fantastic to have them participate in our final MCRC RideDaysWA event for 2021 on December the 11th. Thank you to all our coaches across the year, and the support of our A Graders on December the 11th to run the Mentoring Sessions for our licensed racers. There will be more of these events happening in 2022, so keep your eye out for future announcements.

With an expanded calendar in 2022 (15 events, with hopefully 1 or 2 more to be confirmed), we are doing everything we can to try and cater to all our classes and competitors. To better understand this we are holding a forum for all Sidecar & Junior Competitors on the 16th of January at the MCRCWA clubrooms. We want to gauge your interest and involvement in all our events (as they are able to compete in events across multiple clubs), and also use it as a forum to discuss any concerns, issues or ideas to try and help maintain and grow their classes. Please see the forum details later within this newsletter.

We're also announcing a change associated with what was the Production Championship. With a smallish grid, and feedback from other racers, we've opened up the field to have no production year or model restriction on entrants into the class, as well as reduced it down to a Series, rather than a State Championship. Given the factors these changes introduce, the Competitions Committee will be working on all the details early on in the New Year to get it all finalised well in advance of the Season.

Additionally we are also slightly changing the way Clubman will run across the season for 2022, with the final 2 rounds to become a 2 leg Series specifically for our Clubman riders. Again, the Competition Committee will be working on the details to make sure that the information is published well in advance.

Finally I would just like to say thankyou to you, our members, volunteer's and Sponsors. It is always fantastic to see and speak to each and every one of you at any event, meeting, across social media or on the phone. Although I occasionally get your names wrong (and you definitely let me know) it is great that we can chat, joke, laugh and also support each other in our passion for this sport. On behalf of the Executive and Competitions Committee I wish you and your families a very Merry Christmas, and a Happy New Year. During these times we hope everyone take's the chance to relax, recharge and be ready for an exciting 2022.

**Tim Simmons MCRCWA President**

**WANNEROO 300 Regulations** can be found here - <https://bit.ly/W300regs>

**ENTER HERE** through MCRCWA website

## GENERAL NEWS

### CONGRATULATIONS ADAM SENIOR - Life Membership

This year we welcomed Adam Senior as a Motor Cycle Racing Club of WA Life Member. Adam has been a member of the club since 2001, and began his racing career in 2002. 2022 will be his 20th straight season of racing with the club. In addition to his racing activities, Adam has been a part of the Executive and Competitions Committees for the past 8 - 10 years, and is always helping out whether with the air fence, busy bees, coaching and mentoring new riders or social activities.

We would like to thank Adam for his many contributions to the MCRCWA and congratulate him on achieving Life Membership.

### VALE ROSS CHAPMAN

The MCRCWA would like to extend its sincere condolences to the family of Ross Chapman who passed away on the 9th December. Ross was a Member and competitive racer of the MCRC in the 60's and 70's competing firstly on a Bultaco then Ducati's especially the 900SS, mostly in production and also a number of endurance races, one time teaming up with the late Ken Blake at Wanneroo.

Ross was always supported by his father Lloyd Chapman who was a successful sidecar competitor for many years and the owner of Lloyd Chapman Motorcycles which he passed onto Ross who ran the business out of Lord Street Perth for many many years..

His funeral will take place on January 4th At 2.30pm Karrakatta Cemetery
